

Inofyta, 08/02/2019

DECLARATION OF CONFORMITY – EN 12735-1

It is hereby certified that the seamless copper tubes with trade name **TALOS®ACR** for air condition and refrigeration applications are manufactured by HALCOR/Copper Tubes Division of ELVALHALCOR S.A. at its Inofyta Tube Plant.

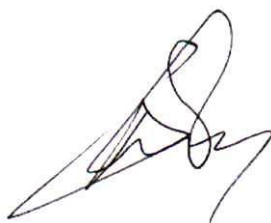

TALOS® ACR tubes are produced in conformity to the harmonised European standards **EN 12735-1 Copper and copper alloys. Seamless, round tubes for air conditioning and refrigeration - Tubes for piping systems**", as required by the Pressure Equipment Directive PED 2014/68/EC.

In addition, Halcor is certified and recognized as material manufacturer according to the following:

- Pressure Equipment Directive 2014/68/EC (Certificate No 072021326/WZ-0890/18 by TÜV NORD), and
- AD 2000-Merkblatt W 6/2 (Certificate No 07/203/1326/WP/0890/18 by TÜV NORD).

Product quality is monitored during all manufacturing stages with the application of a Quality Management System complying with the ISO 9001:2015 specification, certified by TUV HELLAS (Cert. No 041070119).

The Quality Assurance Manager

Dr. D. Skarmoutsos
