

DECLARATION OF CONFORMITY

pursuant to Act 22/1997 Coll., Section 13 (2), as amended,
and pursuant to Government Regulation 163/2002 Coll., Section 13, as amended.

Manufacturer:

NOVASERVIS spol. s r.o.
Merhautova 208, 613 00 Brno
Czech Republic
Company ID No.: 29288690,
Tax Registration No.: CZ29288690

Place of manufacture:

NOVASERVIS spol. s r.o.
Družstevní 2826/5, 669 25 Znojmo
Czech Republic

Product identification data: Safety group - GBM

Product description and identification:

The Safety group is a complete system that protects closed-loop heating systems and potable water installations from hazardous pressure increase caused by growth of water temperature and thermal expansion of water in line. Safety groups for central heating systems are designed for installations in water-based central heating systems (heat systems rated up to 50kW). The different types of safety groups differ in the pressure graduation for manometers and membrane safety valves.

Conformity assessment method applied:

The sample assessment has been performed pursuant to Section 5 of Government Regulation 163/2002 Coll. as amended by Government Ordinance No. 312/2005 Coll. and No. 215/2016 Coll.

List of technical regulations and Czech technical standards applied in the conformity assessment: Technical Construction Certificate 202-STO-B-00381-19 of 2019-1-7.

Data concerning the Authorized Body involved in conformity assessment:

Strojírenský zkušební ústav, s.p., (Engineering Test Institute, Public Enterprise), Authorized Body 202, Hudcova 424/56b, 621 00 Brno, Czech Republic, ID No. 00001490, which issued Product Certificate 202/C5/2019/B-00563-19 of 2019-2-25.

Manufacturer's certification:

The Manufacturer, NOVASERVIS spol. s r.o., hereby confirms that the characteristics of the products comply with the essential requirements of Government Regulation 163/2002 Coll. as amended, and with the technical standards and regulations specified above. The products are safe under the conditions of standard use determined by the Manufacturer. The Manufacturer has adopted measures to assure conformity of the marketed products with relevant technical documentation and essential requirements. The Manufacturer has adopted all the necessary measures to ensure that the manufacturing process, including final inspections and testing of finished products, assures uniformity of production and conformity of the products with the types described in the Certificate and with the applicable essential requirements.

Issued in Brno, on the 25th of February 2019
