

Technical data sheet

Wire retainer for type LKV and LKV/N

Item no. 6178349

Wire retainer for wiring trunking, type LKV and LKV/N. The wire retainer prevents already inserted cables from falling out. These predetermined breaking points allow the length to be reduced for various trunking widths to 38, 28 and 23 mm.

PS Polystyrene

Master data

Item no.	6178349
