Double push-fit clip

Item no. 2197863

These push-fit clips are used when installing cables and pipes on walls and ceilings and when running flexible pipes on concrete and in the screed. The double push-fit clips can be used instead of nail clips in concrete and aerated concrete. The advantage of the push-fit clips is that they only have to be pushed into the drilled hole. Anchors and bolts are not needed.

PA Polyamide

Master data

Item no.	2197863
Type	1974 2X12-25
Description 1	Plug-in clip
Description 2	double
Dimension	12-25mm
Colour	Light grey
RAL number	7035
Material	Polyamide
Material symbol	PA
Smallest sales unit (VG)	100,00 Piece
Weight	0,28 kg/100 pc.
