

The Manufacturer:**SORPLEX Sebastian Ornaf**
ul. Kresowa 11/15
95-200 Pabianice**Declares under sole responsibility that the product manufactured in our company:**

The system of fire retardant self-extinguishing stiff insulating plumbing tubes of the Onnline type with low compression and impact resistance: of the temperature classification -15 to +60 °C
TYPE: RL-13; RL-18; RL-22; RL-28; RL-37; RL-47; together with compensatory tube couplings as fixtures
PARAMETERS: voltage up to 1000 V, IP 30
CLASSIFICATION CODE: 2231

Comply with the requirements of Regulation of the Minister of Development of 02.06.2016 on the requirements for electrical equipment (Journal of Laws 2016, pos. 806) implementing the provisions of the Directive:

Number Directive	Title
2014/35/UE	DIRECTIVE 2014/35/UE OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 26 February 2014 on the harmonization of the laws of the Member States relating to making available on the market of electrical equipment designed for use within certain voltage limits

For the assessment of conformity the following harmonized standards were used:

- PN - EN 61386 - 1; 2011 (IDT EN 61386 - 1:2008) – systems of plumbing tubes for wiring. Part 1 general requirements.
- PN – EN 61386 – 21; 2005 + A 11:2011 (ITD EN 61386 – 21:2004/A11:2010) - systems of plumbing tubes for wiring. Part 21 detailed requirements for the systems of stiff plumbing tubes.

The last two digits of the year in which the CE marking was applied: 04

We have the following certificates:

Certificate No 17/2023/Z of conformity with the European directive issued by the Attestation Tests and Certifying Body "ZETOM" – Katowice

Certificate for the safety mark "B" No 16/2023/Z issued by the Attestation Tests and Certifying Body "ZETOM" – Katowice

Place: **Pabianice**
Date: **22.02.2023**
