GPSR, ProdSG, ROHS, WEEE, POP and REACH

To whom it may concern

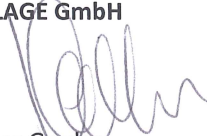

Herewith we declare we comply with all standards, regulations and directives relevant to our products for the European market. The respective CE declaration of conformity lists the directives, regulations and standards considered for our articles.

Furthermore, we assure that our articles also comply with the following directives, regulations and laws:

- German product safety act “Produktsicherheitsgesetz (ProdSG)”
- Regulation (EU) 2023/988 (GPSR) General Product Safety Regulation
- Ordinance on the Restriction of the Use of Hazardous Substances in Electrical and Electronic Equipment 1, 2 (ElektroStoffV) implementing Directive 2002/95/EC (RoHS), Directive 2011/65/EC (RoHS II), Directive 2015/863/EU (RoHS III) and Directive 2017/2102/EU.
- Act on the Placing on the Market, the Taking Back and the Environmentally Sound Disposal of Electrical and Electronic Equipment (ElektroG3) as of 2022, transposing Directive 2012/19/EU (WEEE).
- Regulation (EU) 2019/1021 (POPs) incl. amendment by Regulation (EU) 2021/277
- Regulation (EC) No 1907/2006 (REACH) incl. Directive 2006/121/EC corr. 29 May 2007 as well as Regulation (EU) 2022/692, considering the additional obligations of 1.6.2011 as well as all updated candidate lists including all amendments up to the date of the declaration. We do not use any substances and chemicals not declared below in our appliances and components, nor in the manufacturing process, which are prohibited according to the REACH Regulation. According to Article 33 of the REACH Regulation, we are obliged to inform you that the brass components used in our products contain a lead content of >0.1% by weight. This lead content is required for the mechanical processing of brass and is classified as harmless for drinking water applications according to the UBA list.

Best regards
