TOPJOB S 2002

Additional information (if any)

-

A sample of the product has been tested and found to be in conformity with the current HD/EN and equivalent national standard, (number and edition)

EN 60947-7-1: 2002 and EN 60947-7-2: 2002

As shown in the Test Report (ref. No.)

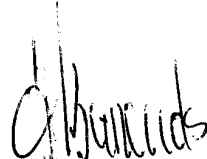

2031569.50 (18 pages) and 2031569.51 (21 pages)

This Notification of Test Results is the result of testing a sample of the product submitted, in accordance with the provisions of the relevant specific standard.

This Notification of Test Results has been established by a body, which participates in the CENELEC Certification Agreement (CCA) of 11th September 1973 as amended on 29th March 1983. Any other body participating in the CCA will take this Notification as a basis for granting a national mark of conformity or a national approval as specified in the CCA, as long as the standard referred to above is still in force in the country of that body.
