

**Declaration of conformity to
EC regulations for CE-marking:
2006/95/EEC low voltage directive
2004/108/EEC EMC directive**

issue: Mai 22nd, 2007

Replace: November 3rd, 2006

PT-55-04

We declare that the below mentioned products are tested and comply with the requirements for CE marking:

In detail, these products were tested according to the following standards:

- EN 61347-2-12** Particular requirements for d.c. or a.c. supplied electronic ballasts for discharge lamps (excluding fluorescent lamps)
- EN 55015** Limits and methods of measurement of radio disturbance characteristics of electrical lighting and similar equipment.
- EN 61000-3-2** Electromagnetic compatibility: Limits for harmonic current emissions.
- EN 61000-3-3** Electromagnetic compatibility: Limitation of voltage fluctuations and flicker in low voltage supply systems.
- EN 61547** EMC immunity requirements for equipment for general lighting purposes.

Radio disturbance has been tested in a reference luminaire
Products are 100% tested on functioning and safety during manufacturing.
